Gender of test subject: Male

Years in education: 10-12

Reading level: Average

The test subject wears lenses/The test subject wears contact lenses: No/No

Test subject confession: No

Test subject note: None

Conclusion

Pedro Almendro took the EyeDetect "Midas: The final bill and the estimate are always the same" test on 01 february 2016 and is TRUSTWORTHY because he obtained a Converus Credibility Score of 72 for The final bill and the estimate are always the same.

NB: A Converus Credibility Score of 1 - 49 indicates that the subject is lying. A Converus Credibility Score of 50 - 99 indicates that the subject is telling the truth. The closer the Credibility Score to one, the more likely that the subject is lying. In contrast, the closer the Credibility Score to 99, the more likely the subject is telling the truth.

Summary of responses (not necessarily indicative of truthfulness or lying)

	The final bill and the estimate are always the same (R1)	Neutral (NT)	Combined total
% of wrong answers	1%	6%	3%
% of questions not answered	1%	0%	0%
